YOUR RELIABLE GUIDE IN GLOBAL TRADE

ABOUT US

A company built on trust, creativity, and professionalism, dedicated to delivering value and excellence in every project.

Founded in 2022 and built on the management team's 25 years of international industry experience, Taneva Fuarçılık organizes the participation of Turkish companies in the exhibitions it represents and provides professional consultancy services to companies aiming to expand into global markets.

Taneva Fuarçılık offers a comprehensive range of services throughout the exhibition organization process, including space allocation, stand design and construction, logistics management, marketing strategies, compliance consultancy with local regulations, and overall operational coordination.

By meticulously managing every stage of participation in international trade fairs, we support Turkish companies in accessing new markets worldwide, reaching potential clients, and positioning their brands on a global scale.

At Taneva Fuarçılık, our mission is to help companies adapt to the dynamics of international trade, achieve the highest level of success in the right markets, and attain sustainable growth on a global scale.
